

A Badge Can Say It All

Gawler Country Music Club has recently invested in a good quality **Badge Making Machine** to be used to promote **Country Music, Country Artists and South Australian Talent.**

The use of the **Badge Making Machine** will require purchase of badge components. A small charge will be made for the use of the machine, and assistance is available with design and printing etc.

Our club members can mass produce the badges for you. The small charge will help with maintaining the equipment and other related expenses.

If you wish to take the initiative to **fundraise for Country Music** or to **promote community welfare** in your locality, via **the medium of Country Music**, please contact our Club President or a member of the committee for further information... Or email **Gawler Country Music Club** via our website. www.gawlercountrymusicclub.com.au

If you are an artist, a band or an organiser who requires promotion, give us a call. Promote is available via our **Newsletter, Website and Your Own Badges....** Don't hang about.....Give us a shout!

We look forward to assisting you with your promotions, and your personal development. And we certainly do wish to help you to..... **'Keep it Country'.**

All fundraising enquiries are welcome.

Our Own Stories

Tamworth Countdown

Tamworth Country Music Festival Friday 19th Jan until 28th Jan 2007

Yes folks, it's almost upon us again. The trek to **Tamworth** is only a few weeks away.

Prior to last year's festival these happy **Country Music Fans** were considering their options.

From the top clockwise.

Terry is a fan of Lee Kernigan, Adam Brand and Slim Dusty. He enjoys meeting the friendly people who follow country music.

Keith a regular at Gawler CMC is a fan of Graeme Hugo and Mallee Blue.

Rosemary and Dennis are fans of Graeme Hugo and Sandra Humphries and visit both Gawler and Barossa Clubs.

Bill is a fan of Jimmy Little, Slim Dusty and John Williamson. Bill says 'Country music tells stories about **real** people.'

Keven who also enjoys square dancing is a Buddy Williams and Slim Dusty fan and says country music is 'Heart Bent Music'.

Will you make the trek this year? Let us know....

Leon Sings For the Good Times

Gawler Country Music Club for allowing me to perform.

Country Music is my passion. I have got to know many country bands during my 12 years as a **Barossa Club Member.** I enjoy appearing in guest spots at some clubs.
