Hi Folks

There may be times when you're sitting at home wondering... 'What can I do today to pass the time?'The wind is blowing and you've already hanged your washing out to dry.

Well....why not **Go fly a kite!**

Can you remember in your younger days how much fun it was? Or remember the time you spent with your kids and grandkids?... How satisfying and exhilarating it was! Fresh air, exercise, laughs, tangles and crashes...Oops! Another one bites the dust!

I read recently that Kites have other uses....

Germany's largest fishing vessel had left the Netherlands towing a **giant kite** to catch winds that will cut its fuel consumption by up to a third.

If you see cars driving around Adelaide with giant Kites attached... you may be in for a surprise.

Drivers will either be all travelling in the same direction.....creating havoc at traffic lights; or kites will end up tangled around trees and lamp posts. Maybe not a clever idea.

However as far as saving fuel on the ocean waves... why not!

Cutting greenhouse gas emissions is obviously desirable... and Fly Fishing could take on a totally new meaning.

Wind Farms are visible around Australia to generate electricity.The more wind you can capture ... the more energy you can collect. However, the disadvantage of wind energy is... it can cause noise.

Gaviscon, Zantac, Mylanta, and Rennie's are available when wind noise... becomes a problem. Available from your local Chemist.

President's Report

March 2010

G'day Members and Friends,

I will start this month off with a little reminder. Our **April** show is our **Club's Birthday** show.

We will be 17 great years old.

April is also **membership renewal** time; so don't forget to renew.

Well onto our march show and what a great show it was. With a 200 plus crowd coming along to see **Kristal** and the **Happy Chappy's**.

With **Patrick McMahon** and **Justin Freschi** as our guests, what a wonderful day we had.

Kristal always seems to get better each time we see her, and as for Patrick; well he is always bouncing around on stage.

It seems he enjoys the show just as much as we did. Great day Guys.

Well our April show will also be great with **Tiffney Stroh** and **The Black Hats**. So why not join us.

Until then **Happy Easter, Drive Carefully** and we will see you then.
