Dancing With The Stars

By Rebecca Davies

Dancing With The Stars contestant **Adam Brand** and his dance partner **Jade Hatcher** have spoken about

how they fell in love during the filming of the show.

The country music singer, who won the Australian reality series in September, initially denied that he was in a relationship with 19-year-old Hatcher.

Brand told *New Idea* magazine: "We love each other's company, and it just simply works. We're very happy... and when something is right, it just happens naturally - it all falls into place."

The 39-year-old continued: "There were so many times after training when Jade would put on some music and just start dancing. I would sit there and just be absolutely mesmerised. I could not take my eyes off her."

Brand also mentioned their 20-year age gap, saying: "There's no age gap even though there is one physically. Most of the time I feel like the younger one in our relationship - Jade is much older than her years." Hatcher added: "The people close to us just want us to be happy."

President's Report

Nov 2009

G'Day Members & Friend,

Well our November show was another good day with **Midnight Special**. Although summer had arrived early we still had a good crowd. **Warren Johncock** was up to his usual trivia questions and giving away prizes.

Our guest artist **Len & Jeanne Connor** helped fill in the afternoon with some great songs. We also had a visit from **Alec Beckett** and **Walk Ups Michael Micallef** and **Brian Moore** appeared with guitar and banjo. Well done guys... A great day.

Well our December show will also be a great day, with **Eddie & Friends** and guest artist **Derrani Sanders**. Also appearing are **The Alliseragh Irish Dance Group**, and.... **Father Christmas**. So our last show for 2009 is set to be a Christmas Cracker.

Come along and join us. Don't forget... entry for **Gawler Country Music Club Members is FREE**.

Hope to see you all then.

Keep it Country
Regards

Keith Warren
