Ma Says, "To Hell with the Kitchen! I'm Gonna Become a Country Singer!"

Ma has been listening to the Music from Tamworth on her new Digital Radio.

She is now thinking of appearing at **Gawler CMC** with her guitar as a **Country Sizzler!**

The Australian country music trio **The McClymonts** has topped the country chart this week with their album **Wrapped Up Good**.

Fresh from winning the **Country Music Award for Vocal Collaboration Of The Year** for their single with **Troy Cassar-Daley, Ain't Gonna Change For You**, the three sisters have knocked American singer **Taylor Swift** down from number one after 42 weeks of domination with **Fearless**.

Fellow **Australian** sisters **Sophie and Celeste Clabburn**, known as **The Sunny Cowgirls**, have debuted at number three with their fourth album **Summer**.

MORNING NECK EXERCISES

If you spend hours each day on your computer without exercising, please do read the following.

Sent in by Maria

**We stare at the computer
For hours, every day.
MySpace, Facebook and Google
Entrapped us in their hands.
We cannot leave the Net.
It seems too hard today.
To exercise ourselves.
We never take a break
The doctors give us warnings.
But we don't give a dang .
Too lazy for a workout,
Too busy for a break.
I wrote this little poem
For all those at work or play
To make them do some movement
And scare the pain away!
So if you need a warm up,
But cannot leave your chair
Re-read this text all over
At least three times per day!**
