Music Workshop Report.....

Hi Folks

Well Saturday the 5th of February will be our first country music workshop for 2011, and have been looking forward to it as it seems ages since we have had one.

We have purchased two more shure mics taking the total up to 3 x sm58 and one shure pg58 belonging to the workshop. We also made a donation of \$50 to the Queensland flood appeal. As we are here for country music we also like to help out other events where possible. We lend out equipment so Roger's open mic can go ahead and we all hope that he can sort out a new venue. Roger Howard has been doing a great job along with others that help him put on the Open Mic . So well done Roger and keep up the good work.

Gawler Country Music Club Workshop

Head Co-ordinator **Fred Payne**
