Editors Note

Hi Folks

The good news folks is that this month's Newsletter will not mention 'Cricket' or 'Bulls', but it will hopefully, provide you with a **good read** while enjoying a nice cuppa.

You know; when I first joined **Gawler Country Music Club** as **Newsletter Editor** I had no idea how involved I would become in juggling information and trying to make the Newsletter interesting.

I must thank club members for your contributions, feedback and advice on issues related to our **Newsletter** and our **Website**. I must also admit that your comments have helped me to stay reasonably, but perhaps not totally sane and sober.

As with everything we do in connection with our club, we rely on **you, our members**, to keep the committee on the right track.

If you have preferences, advice, concerns or suggestions on how we can improve our club... please let your committee members know. Also, **you may wish to consider joining the committee at our next AGM**. Ask for nomination forms at reception.

Guess What! Our team has retired from **Speedway City** car parking activities. The **Sizzlers** are now back in action again raising funds for the club.

If you think you are a **Sizzler** or if you know of any **Club Members** who are 'Sizzlers' ... please let us know. We do need your assistance.

'On hot and sunny weekends 'The Sizzlers' strong and hardy, Meet at the Home Hardware Store to set up their sacred barbie'

Contact our **Club President Keith Warren** for further information.

President's Report

May 2006

G'Day Members & Friends

Doesn't time fly when you're having fun, and that's what we had with **Graeme Hugo & IronBark**.

A good crowd attended the cabaret to have a great time, and on Sunday crowds began arriving at 10am to occupy the best seats in the house.

Well, **Graeme** provided a great show. Thanks Graeme for an enjoyable weekend.

Our visitors from the **RSB** also enjoyed themselves and we hope they call back soon.

Moving on to our **June** show with **Tiffney Stroh and No Worries**.

This young band is on the move, so come along and enjoy them.

Members **Ron & Connie Cossons**. (April 2007 Page 8) have been missing for a while. **Ron** is on the mend from having major surgery and **Connie** is recovering from a hip injury.

Our thoughts are with you both.

So until next month.

Keep It Country.

Best Regards

Keith Warren
