

That Woz the Day That Woz!

16th May 2010

The City Cowboys road out of town followed by a posse of well shod Country Music fans.

Drawing up at the Munno Para watering hole their fans swigged down a few sarsaparillas and devoured the food of caterers Nicola and Graeme.

The City Cowboys began the show with **Fruit of the Vine** and a repertoire of popular songs which had the bouncing floorboards telling the story of many happy dancers.

Amber J Poulton entertained the audience with a mix of songs ranging from **Jolene** to her own release of **Rising Star**.

Club Secretary Helen, and club President Keith have a chat with Amber while the crowd listens to the band.

An enjoyable day was had by all.

Don't miss our shows from now until December. Big attractions including The Slim Dusty Tribute Show and our Gawler CMC Talent Quest! The Country Music Cavalcade!
