

Welcome Back Nathaniel!

Up until last year young **Country Music** performer **Nathaniel O'Brien** was seen regularly appearing at many country music clubs and country music venues around Australia. Then, as if someone had waved a magic wand.... **Nathaniel** was gone!

Well; like any good disappearing act the real good part is when the subject re-appears. Brighter, stronger to amaze all onlookers with the transformation into something quite remarkable.

Well folks! Prepare yourselves.

Nathaniel is back!

Born **Nathaniel Dudley O'Brien** on **December 31st 1995**, in **Clare, South Australia**. The youngest of three children, sister's **Michelle and Tracey** to parents **Karen and Danny O'Brien**.

Nathaniel began singing before he was in school, and gave his first public performance at age 7. He grew up listening to various artists, which helped him

to develop his own unique sound. American country music artist **Billy Gilman**, was an inspiration, as were the records Nathaniel's parents played. It was the emotional singing style of country's classic performers, he says, that hooked him.

Nathaniel began playing at fairs, nursing homes, festivals and other events, both locally & interstate; forging a name and reputation as an amazing young advocate for Country Music. With the guidance & vocal training from his sister **Tracey Rains**, (whom many of you already know,) he obtained numerous Trophies, awards, and gained both experience and confidence with each performance; capturing the hearts of the people with his shy, and humble talent.

Nathaniel has been inspired and encouraged by working alongside some of our greats, **Melinda Schnieder, Becky Cole, Adam Harvey, Craig Giles, Wayne Horsburgh, Samantha McClymont**, and many more, but also the **Country Music Clubs, Festivals**.

Nathaniel has been taking some time off from singing, due to the inevitable "**Voice Change**". He has grown up from when he first started singing, and is now attending **Brighton Secondary School**, where he obtained a **Special Interest Music Scholarship**, and is endeavouring to further his knowledge in academics as well as music This scholarship was obtained through his vocal abilities & his outstanding academic achievements.

Nathaniel has matured from a talented, shy child to a gifted vocalist, guitarist, who knows who he is and what kind of music he wants to make. He is now started back singing, and has occasionally performed duets with his sister **Tracey Rains** when she has performed with her band.

You will not have to wait very long, before **Nathaniel** is back performing as he was before; but now as a mature young man. **Nathaniel** would like to say a very special **thank you to ALL the people who have supported him over the past seven years and looks forward to catching up with you all in the very near future.**

Nathaniel's dream is to continue singing, taking it as far as he can; which he knows can't be achieved without dedication and hard work. He appreciates your support, and is grateful for the opportunities provided by all Country Music Clubs, for acknowledging the needs of all young Country Music performers for giving them the opportunity to perform.

Nathaniel can be contacted via his mother **Karen O'Brien Ph: 0428922614**
