Editors Note

Hi Folks

The sunny season approaches so the baggy shorts, Crocs shoes and sunnies are slowly appearing.

White legs become suntanned and the thirsty dehydrating mozzies have a Drakulating Blood-Fest.

Good to see the little buzzers are happily dodging swatters and zappers.

Waving our arms around almost aimlessly must be good aerobic exercise, and the satisfaction of donating blood to the insect kingdom provides great satisfaction to those who happily contribute to preserving a healthy and balanced environment.

Moving on from blood bloated mozzies.

At Gawler Country Music Club we have, as you know, low cost entrance fees, low cost membership fees and a cuppa coffee costs only 50c.

All good deals by any standards.

However, for those who prefer for example better quality more expensive coffee. We are happy to oblige.

All club members who wish to pay \$2.50 per cup... please have a chat with our friendly Accountant Barry. He is always willing to accept your cash. Please queue in an orderly fashion as excess demand is a possibility.

If you've been out and about visiting shows and festivals... Your stories and pics are always welcome.

If you have mozzie bites or expensive tastes... please tell... it may make interesting reading...

G'Day Members & Friends

Well another great show was had by everyone.

Tiffney is great at what she does, with a good mix of music that everybody could dance to.

Her band **GoldRush** certainly has a good line up of musicians. They were excellent.

Moving onto our November show with **The Creole Cowboyz...**

This will be a great day as this group has a big following, so I would suggest you arrive early.

The **Howie Bros** show is now sold out; however we will take names just in case someone has to pull out at short notice.

So until our November show.
