IS A COMIN' TO TOWN!

## Couple Hang up their Boots

To the Committee and Members of the **Gawler Country Music Club**, Yvonne and I would like to thank the committee for nominating us for life membership, and the members for accepting the nomination.

You can be assured we will wear the badge with pride!

Over the years we have made many friends at the club, and we enjoyed our time on the committee, but unfortunately age and circumstances have caught up with us.

We will still be available to help in any way we can, when ever we can.

Once again THANK YOU for the honour and all the years of friendship extended to us by the members of this wonderful club.

We Remain yours truly  
Keep it Country

Keven & Yvonne McGregor

## Dairy Support Plea

Drought-stricken northern Victorian farmers are seeking more government support to keep the industry afloat, despite the recently announced package of direct farm assistance.

A survey of 23 farm businesses has found income was expected to fall by about 33 per cent this season.

## Just a Thought From Bill Northcott!

A Rovin' We Shall Go.  
Yep! Bill took off again for a short break at the Lyall Mac Hospital... He's back to normal now and waiting for his newsletter.

The cowboy was trying to buy a health insurance policy. The insurance agent was going down the list of standard questions.

"Ever have an accident?"  
"Nope, nary a one."  
"None? You've never had any accidents."  
"Nope. Ain't never had one. Never."  
"Well, you said on this form you were bit by a snake once. Wouldn't you consider that an accident?"  
"Heck, no. That dang varmint bit me on purpose."

## Where's the Proof?

Proofreading is a dying art, wouldn't you say?  
Man Kills Self Before Shooting Wife and Daughter  
This one I caught in the SGV Tribune the other day and called the Editorial Room and asked who wrote this. It took two or three readings before the editor realized that what he was reading was impossible!!! They put in a correction the next day.
