Thanks to all contestants for providing an excellent day of entertainment. For future events maybe a Toddlers Section should be included in the prize list. The competition was strong, so if you didn't win a place please don't be discouraged. Practice makes perfect, and enthusiasm and determination are wonderful qualities which lead to success. Keep enjoying Country Music and hopefully, we shall all meet up again soon.  
Crystal Antoniazzi has started her 10 lessons with Chris Fretwell and is progressing well and is looking very promising after four lessons so far. You will notice a huge change next time you hear her sing.  
Best wishes to all. Gawler Country Music Club Committee.
