Editors Note

Do you ever wonder how other Club Members pass the time of day!

As someone who took early retirement, I spend most of my time at home in front of my computer.

This is not healthy from a **physical** perspective but it does keep me in action **mentally**.

I am mostly involved in activities related in some way to **music**.

Producing our monthly GCMC newsletter, maintain websites, developing chord charts, playing and rehearsing songs and listening to music is what I do most of the time.

When a kitchen tap has been dripping for a couple of months, or the lawn has reached above knee height I seriously begin thinking 'Maybe I should do something about it.'

Do you use the same approach?

How do you pass the time of day?

Maybe now is the perfect time to start that exercise routine; to lose those kilos, to tidy the back shed or give the house a good spring clean...

If that sounds too much like hard work... well... sit down, relax with a cuppa and send me a note about what you do...or what you don't do...

I'd love to hear from you.

President's Report

Aug 2009

G'Day Members & Friends.

August was our AGM. I would like to start by thanking some of our team for their support.

Firstly thank you to **Barry** who has decided to step down as Treasurer. Barry has been treasurer for the past 3 years and has done a great job; he still remains on the committee thanks Barry.

We also lost 2 great committee people, who are very dear to me and to a lot of members. **Keven & Yvonne M'Gregor** who have been members since 1994, and have been on the committee since about 1996.

Their efforts over the years have been fantastic. Always putting their hand up to support the team in our efforts to put together a great club. Thank Keven & Yvonne you will be missed.

It was also decided at the AGM to make Keven & Yvonne **Life Members**. Very deserving.

I would also like to welcome **Carlene Oliver** to the committee. **Louise Vardon** has put her hand up to take the **Treasurer's** job. The balance of the committee has not changed. Thanks guys & ladies for your support.

Well moving onto our August Show. **Tracey Raines & Claypan** are a fantastic band, they kept us entertained all day. Thanks guys a great day.

Our September event is our biggest show for the year **The Slim Dusty Tribute Show**, entry is by ticket only and if you haven't got your ticket yet you'd better hurry as there are only a few left. So until then.

Keep it Country

Regards

Keith Warren
