The 2011 Gawler CMC Country Music Talent Quest

Put your hands together for a great **Talent Quest**

Held Saturday 27th August, it proved to be a great success. It would like to have seen more Talent Quest entrants; however, the emphasis as always should be on quality rather than quantity.

Several entrants were truly outstanding in talent, personality and work ethic. Well done to all contestants. You all did extremely well.

For those contestants who walked away without winner's trophies, please don't be discouraged. The comments given to you by the judges are intended to be helpful and will hopefully put you on the right track for the future.

Thanks to all the people who came along to support our talented artists. It was a pleasure too to see dancers on the dance floor when the band played between the comp sections. All being well, we are doing it again next year. Artists wishing to participate next year please indicate your interest **now** by emailing our Club Secretary Helen at kwcountry@optusnet.com.au

Thank You! to all of our Talent Quest Sponsors...
